#### **Murder of IB officer by protestors in Delhi Shameful**

The Akhil Bharatiya Vidyarthi Parishad expresses deep condolences on the killing of IB officer by rioters in Delhi. ABVP also prays for the souls of common citizens who lost their lives in the Delhi riots incited by the protesters and expresses deep condolences to the families of the dead.

It is heart wrenching that in order to destroy the social fabric and the spirit of harmony prevalent in the society the leaders of political parties like Aam Aadmi Party, Congress, AIMIM along with the Urban Maoists have poisoned the minds of common people of the city with their false propaganda. The anti-CAA protesters, in the name of protests have destroyed the spirit of brotherhood prevalent in the society, which has eventually culminated in the riots leading to loss of life and property.

ABVP's National General Secretary Nidhi Tripathi said, "The Akhil Bharatiya Vidyarthi Parishad appeals to all the members of the society to come together to maintain mutual harmony and brotherhood and asks them to stand united against anti-social elements. What deeply saddens me is the way the anarchists have pushed the society in a state of anarchy in the name of opposition to CAA. We, the people of India need to stand up to such divisive forces and stop them from breaking the society through their lies."
