### **ABVP strongly condemns the Pahalgam terror attack, expresses condolences to grieving families.**

Akhil Bharatiya Vidyarthi Parishad strongly condemns the barbaric terrorist attack on tourists in the Baisran valley, Pahalgam, Jammu & Kashmir on Tuesday. This cowardly act of killing innocent tourists after asking their religion is a big blot on values of humanity. In this attack, 26 civilians were brutally killed, and several were injured. The incident is a grave assault on social harmony and civilizational values that is intolerable in any form. ABVP pays heartfelt tributes to departed souls, prays for a speedy recovery to those injured and stands in solidarity with the bereaved families during this time of grief.

This heinous attack once again highlights the urgent need to eliminate the roots of terrorism. ABVP demands that Central Government must identify and ensure harshest punishment for the terrorists. Moreover, the entire network that promotes terrorism in the Kashmir Valley must be dismantled to make this sacred land free from terror. A decisive action against terrorism has now become essential for the integrity of India and the safety of its citizens.

ABVP's National General Secretary Dr. Virendra Singh Solanki stated, "The brutal attack in Jammu & Kashmir is deeply painful for every citizen. The merciless killing of innocent tourists is a direct attack on humanity. The time has come to give a fierce response to these agents of terror and their protectors. This cowardly attack not only challenged the values of our civilisation but also pose a grave threat to the tolerant and harmonious nature of Bharat."
