- : Press Release : -

ABVP Demands UGC and NTA for Immediate Release of CUET-UG Results.

Akhil Bharatiya Vidyarthi Parishad demands UGC and NTA the immediate declaration of results for the Common University Entrance Test (CUET) - UG. The universities are already experiencing academic session delays due to COVID, and any further delays in result declaration will result in additional setbacks for upcoming sessions in several universities.

ABVP urges all educational institutions in the country to take steps towards commencing the academic year on time and conducting examinations and other events as scheduled. It is unfortunate that even after the sufficient passage of time following the COVID-19 pandemic, the academic sessions in various universities have not returned to normal.

ABVP National General Secretary, Yagywalkya Shukla, stated, "Through CUET-UG, a large number of admissions will take place in central universities and other universities and colleges. In such a scenario, it is crucial that the CUET-UG results are announced on time. During the previous academic session, the admission process for undergraduate and postgraduate programs continued until December, and this year such a situation should not arise. Admission procedures should be completed within a definite timeframe in all universities across the country, and classes should commence as per the predetermined schedule."

(This Press Release has been issued by Central Office Secretary Digambar Pawar.)
